Testimonials:

“Our children attended Jamon Adventure Camp and had a ball! The program is well thought out, our children learned a lot while having fun. They were super excited, yet exhausted from all of the fun activities when I would pick them up!”

R. Gaston

“Jamon Adventure Camp is an anomaly. It was difficult to find an enriching, summer fun program for my 3 & 5-year-old children. My children loved their summer at Jamon Adventure Camp and I highly recommend it for families with younger campers!”
